Dr. A. J. Vorwald, Director
The Harmon Laboratory
Jermone Park, New York

UNITED V.B.

Dear Arie

In a phone conversation with Dr. Lemm yesterday, he mentioned that you had told him the principal report that is to be published in the Clinical.

I am sure Dr. Van Dellen would be interested and I suggest you send a copy directly to him.

Would you also please mail us about fifteen copies so that they may be forwarded to the respective Unit Directors of the program.

Yours sincerely,

A. P. Weichel
