out of town

Arrangements are being made for a discussion of the PCB effluent standards with representatives of General Electric, Westinghouse, Electrical Utilities Company, NEMA and possibly representatives from EIA and IEEE to be held on Thursday, February 28, in room N-118 at 9:00 a.m.

To prepare for this meeting I propose we meet on Tuesday, February 26, in room B-303 at 1:30 p.m. The purpose of this meeting is to prepare for our subsequent meeting with our customer representatives.
