Dear Bob:

On receipt of your letter of June 7, 1979, concerning Asbestos and our company policy concerning stocking and distributing of this product.

Please be advised that the St. Paul warehouse does not have any Asbestos on hand and in fact has put the brakes on selling Asbestos approximately 1 year ago.

We are working on some new accounts on 3rd party sales and in any event that you feel that we are going to come to a parting of the ways with Carey, I would appreciate hearing from you as quickly as possible so we can devote this sales time to other efforts.

Yours very truly,

J. L. Gent
