Dr. R. A. Kehoe:

Dear Bob:

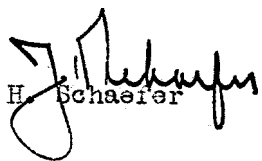

I would like to know if you contemplate coming East sometime in the near future. There is a subject which I would like to discuss with you, but I feel it should not be made a matter of correspondence. However, it is important enough that it should not be held in abeyance for too long a time.

If you do not consider being in New York, say in the next couple of weeks, I could perhaps arrange to come to Cincinnati to see you. What I have in mind would probably only take about an hour, probably less.

Please let me know your plans or what time would be convenient for me to see you.

With kindest regards, I remain

Yours very truly,

J. H. Schaefer
