Justin,

It was nice to meet you at the Monday meeting with the Administrator. We appreciate the opportunity to discuss issues that are important to electric companies. As I noted, we've been thinking about NSR and how to improve the process. I've copied Alex Bond on this e-mail. He's leading our internal and member discussions on this issue. If it works for you, Alex will reach out to set up a meeting to discuss some of our thoughts.

Best,

Emily Fisher
