Attention: Mr. James V. Carlisle
Supervisor of Mechanical Development

Gentlemen:

In confirmation of our telephone conversation yesterday, we are writing you regarding the BHC and Lindane Buildings which you are interested in purchasing.

Nichols Construction Co. has the authority to sell you any of these building structures, including the electrical conduit, lighting fixtures, heating and ventilating fans and equipment.

We wish you however to understand that should you purchase these buildings from them, that in turn you will release us from any obligation to remove any of this material within the specified time. Should there be any delay in making this purchase beyond May 15th, it is understood that Nichols Construction Co. and ourselves would have an extension of time for the removal of these buildings accordingly.

Very truly yours,

BRILL EQUIPMENT COMPANY
