Hi Dave,

The Region 8 Smart Sectors program will focus on the mining, agriculture and outdoor recreation/tourism sectors. We will be convening round table discussions with the regulated community in these sectors in the six states which make up Region 8. Would these sectors be of interest to you?

Thanks,

Hey Dave – thanks for your email! I’ve cc’d Patrick Davis who is heading up the Region 8 Smart Sectors, he’ll be able to tell you more about what their initiative will look like and how Kinder Morgan can be involved. And as always let me know if I can be helpful from HQ.

Best,

Hello Daisy, I am glad we had a chance to visit last October about Smart Sectors. We understand that Region 8 is planning to begin an effort within your program, and we are wondering how best we can get included in it. Our Lakewood and Colorado Springs executives would be keen to participate. Can you give me any advice? Thanks and best wishes, Dave
