

COLLIS P. HUNTINGTON HOSPITAL

Harvard Medical School
Boston

February 21, 1930.

Dr. David L. Edsall,
Harvard Medical School,
Boston, Massachusetts.

My dear Dr. Edsall:

Enclosed you will find a check for
\$2,000.00 from the Lead Industries Association.
This is the second check this year, the first
one being for \$1500.00. This represents \$3,500.00
of a grant of \$10,000.00 which they promised last
year to Harvard University.

As with the previous check I have
countersigned this one to Harvard University as it
really belongs to them and not to me.

I am also enclosing a copy of Mr. Wormser's

letter.

Very sincerely yours,

(Signed) Joseph C. Aub
