Dr. Richard Irons letter of response to the Feb 22 2007 letter from BHRC communicating financial support and terms.

My suggestion is that I and/or Jennifer respond to Irons indicating that the consortium has a conference call scheduled for March 8 at which time we will consider his proposal. Would OC members please respond with affirmative or alternate suggestion?

Jennifer, perhaps you and the technical committee could begin analyzing and have suggestions prepared to offer to us on March 8.

*Regards,
Patsy*
