Dear Mr. Bielek:

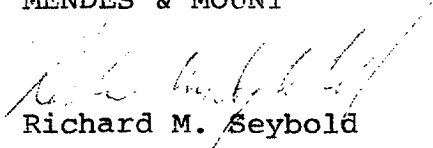

This will acknowledge and thank you for your letter of July 16, 1980, with enclosures.

We note from the limited information contained in the attachments to your above described letter that the plaintiff in this litigation is a former employee. We are obligated to advise you that the pertinent Sherwin-Williams policies contain an exclusion for personal injury and death of employees of The Sherwin-Williams Company arising out of and in the course of said employment. It is realized that the exclusion in most policies is not applicable to liability assumed under contract. However, under the circumstances, we are obliged to advise Sherwin-Williams that notice of the captioned matter is accepted under a full reservation of rights on behalf of Sherwin-Williams and the Sherwin-Williams liability insurers.

Kindly keep us fully advised of developments.

Yours very truly,

MENDES & MOUNT
