Re: Comments on Land Disposal Ban

Dear Meredith:

Enclosed are the comments we filed with the Environmental Protection Agency (EPA) in response to its January 1989 land disposal ban for certain hazardous wastes. The comments criticize EPA for apparently trying to change the definition of F024 waste without adequate notice. The submitted comments reflect some helpful Vinyl Institute member critique.

I would appreciate your distributing this to the Health, Safety and Environment and Legal Committees. If you have any comments or questions, please let me know.

Cordially yours,

Peter L. de la Cruz
