Dear Sir:

A meeting of the Paper Division has been called for Wednesday, June 26, for the purpose of liquidation and closing out the affairs of the Division.

A meeting will also be called the same day for the purpose of revivifying the Paper Division of the Asbestos Institute.

I estimate that approximately \$1,000 will be distributed to the members after closing the books as of June 16. I also estimate that to cover organization expenses, Asbestos Institute dues and routine operating expenses from June 16 to August 1, we should raise \$2,000.00.

It has been suggested that I arrange for the original group of six paper manufacturers to underwrite this until we are operating, any underwriting subscription in excess of your proportionate share to be returned from any regular budget established.

This is done to provide immediate funds for operation while we are securing the cooperation of the smaller members.

Will you kindly advise whether it is agreeable to you to proceed as outlined. Your proportionate share would be \$180.00.

If agreeable, will you kindly send your check made out in my name with authority to disburse \$150.00 to the Institute and other amounts for salaries, office expense, etc. Upon appointment of a treasurer by any organization formed, the balance will be turned over to him.

Very truly yours,
Donald Tulloch, Jr.
Donald Tulloch, Jr., Manager
