

QUALITY— Assured at a Glance

IN purchasing lead pipe, look for the National Lead Company's name and the Dutch Boy trade mark stamped into the metal. In this way you assure yourself of getting lead pipe of dependable quality. The marking is also a guarantee of proper wall thickness and correct weight per foot.

Lead pipe plumbing has long been known as the best possible plumbing. Now, with this trade marked pipe, you can be sure that every foot of doing work that will always be satisfactory.

Dutch Boy Solder

When you buy Dutch Boy Solder, you can be certain of getting the same composition, all time. Every bar, every ingot, is numbered to denote grade. And there's a grade for every soldering purpose, including wiring.
