Mr. Philip Drinker
Harvard University
School of Public Health
55 Shattuck Street
Boston, Mass.

Dear Phil:

Thanks for your letter of
November 17th with its reference to
Lt. K. W. Nelson as a source of information
on dermatoses referable to contact with
pentachlorophenol. I am writing to
him directly.

Sincerely yours,

RAK:rms

Robert A. Kehoe, M.D.
