Dear Ray:

Thank you for your letter of March 1, 1986.

Now that I have returned from the SOT Meeting, I have sent off the Kehoe manuscript to Miss Audrey Seeley, the Managing Editor of Food and Chemical Toxicology.

Provided my co-Editor, Dr. Gordon Hard, is in agreement with the proposed course of action, Miss Seeley will obtain a definitive figure for the actual cost from Pergamon Press.

With kindest regards to you both from Bertha and me,

Sincerely,

A handwritten signature in dark ink, appearing to read "LEON", with a horizontal line extending to the right.
