Mr. E. A. DiSalvo  
Vice President - Manufacturing  
Phillip Carey Corporation  
Cincinnati, Ohio 45215

Dear Mr. DiSalvo:

Your letter of April 10 did outline the pertinent aspects of our meeting.

You have picked the only two days of the week of April 22 in which Mr. Neathery would not be available as he has a prior commitment to go to Toledo for those days.

I would be able to meet with you on either of these two days but both Mr. Neathery and myself can meet with you either the 25 or 26.

At your convenience let us know which days to hold available.

Very truly yours,

R. M. Burns  
General Manager  
Gasket Division
