Subject: Requests for DOT

Good afternoon Hannah and Greg, I'm writing to follow up on some previous requests for information and documents from Senator Cruz that remain outstanding. We spoke with Liam earlier regarding the FAA requests and he is working on those, and we are hoping you can help us obtain the requested information and docs that pertain to the DOT requests. The requests are detailed in the attached and all of these requests were made in previous letters from Senator Cruz to the Department. We look forward to working with you all to resolve. Thank you,

Sean
