Good morning Mathilde,

For attribution to “an EPA spokesperson,” please:

We are reviewing the decision and have no comment at this time.

Thank you Michele,

About the US District Court for Northern California which ruled late Wednesday the EPA illegally delayed implementation of key pesticides rules, my question is :
What the EPA has to say about the accusation that it has been made to illegitimately delay the implementation of the pesticides rules ?

But I need a comment before 5PM, tomorrow will be too late.

Thank you for your time however,

Regards,
