Dr. George R. Cowgill,
333 Cedar Street,
New Haven, Conn.

Dear Dr. Cowgill,

Through a mistake, I did not get enough copies of the hearing before the Department of Agriculture that was held on November 20th. I have, therefore, not sent you one before.

I am enclosing my own copy and would ask that you return it to me after you and Dr. Horwitt have read it. If you need another copy for yourself, I will have an extra one typed in our office.

Very truly yours,

CHICLE DEVELOPMENT COMPANY,

S.S. Yates,
President.
