Hi Tim,

Enjoyed our conversation! As I promised, I wanted to introduce you via email to Tate Bennett, our Associate Administrator for Public Engagement. As I mentioned, she was one of the staff with Administrator Pruitt at last week's Sue & Settle Roundtable at the White House. She does amazing work connecting with coalitions and Agency stakeholders to further the Administration's message and keep groups informed of what we're doing. We are very appreciative of your offer for AFP to help in whatever way you can.

I'll have Tate reach out to you via email or on your cell below by next week to discuss further.

As you gather information regarding upcoming AFP events, let us know if there is an opportunity for the Administrator to address your group. He was very excited about the possibility.

Thanks and enjoy the rest of your trip in Cali!

Hey Paul!

Hope the event went well! I just spoke with the Administrator and was hoping you could send me Timothy Phillips's contact info. He would like me to reach out to him to follow up on something.
