Winter Western Policy Roundtable & Field Tour:

In early December, WCF headed down to Ft. Worth, Texas, for the Nationals Finals Rodeo and our annual Western Winter policy roundtable and field tour. Our field tours included a demolition demonstration at a local aggregates quarry, and a facility tour of a natural oil and gas well.

#1363694.2

Our policy roundtable included keynote speakers DOI Secretary David Bernhardt, and USFWS Director Aurelia Skipwith, as we discussed our accomplishments in this congress, and our priorities as we face a new administration.

With additional safety and caution, we were so glad to be able to return to our favorite winter event. Thank you to all of our attendees!

ICYMI: New Congressional Western Caucus Chairman

The Western Caucus Foundation congratulates the newest Congressional Western Caucus Chairman: **Representative Dan Newhouse** from Washington's 4th district!

#1363694.4

Rep. Newhouse has been a valued leader and advocate for the West. Having truly worked the land as a farmer, he knows firsthand the detriment of federal overreach on the people who live, work, and recreate in rural America. The Foundation is excited to work closely with him as the new Chairman of the Caucus. [Read the press release here.](#)
