NAR-196

January 16, 1948

Trudeau Foundation
Saranac Lake, New York

Gentlemen:

The enclosed sample of dust is submitted for X-ray diffraction to determine the amount of free silica.

The sample was taken in connection with Claim Number C. D. 56526, Claimant William K. Crank.

In billing for this analysis, please submit three copies and mention the claim number and name of claimant.

Very truly yours,

LESTER N. HERRITT
SAFETY ADVISOR.
