Yes, thank you, Mandy. I was just typing out a note myself. Tuesday, 10 or 11, work for me right now, but I can modify my schedule to match your availability, to some degree.

Hey Richard,

Brittany and Sam, I want to e-introduce you to Richard Guerard who is currently with Hyundai. I met him when he worked with all the good guys at Hunton & Williams. He'd like to touch base on CAFÉ/LDVs issues and the MTE process.

Best,

Mandy

Thanks for connecting me, Mandy. I know our compliance team has a productive relationship with the careers, but any other connections would be most helpful to me.
