Robert A. Kehoe, M. D.
Director, Kettering Laboratory
University of Cincinnati
Eden Avenue
Cincinnati 19, Ohio

Dear Bob:

Since you now have the Brugsch translation of the Moeschlin paper, you should also have the enclosed copy of a letter (translation?) from Moeschlin to Brugsch that has just come to me.

If we can believe all that we are told, evidence contra seems to be piling up rather fast.

Sincerely,

MB:GP
