Brad,

I generally won't do 20-30 minutes of remarks. I am happy to do 10 and then 25 for discussion.

Robin can coordinate timing – thank you!

Samantha,

Here is an agenda with a bit more detail. Let me know what you think and if you'd like to chat through it. But I think this is an opportunity for you guys to talk about your vision in your own words to our entire industry. I know there will be interest from our folks, particularly given recent activity, so I think we allot 20-30 mins of comments from you and 15-20 of discussion.

Thanks.

-Brad
