Attached is the schedule for the 1981 Fourth Quarter Guest Housekeeping and Safety Inspection. The Inspection Teams will consist of representatives from PMSB, SHAC, HSC, OSC, and first-line supervisors. The SHAC member assigned to each team will contact you to arrange a suitable time for this inspection. He will also notify the appropriate unit/area supervisor and arrange for guides to accompany the team.

Special emphasis will be given to use of Safety Procedures and availability of Safety P-Bulletins.

Observations should be discussed with the guide following the inspection. The SHAC member will follow up with a written report.
