Mr. Charles R. Bell
Neale Building
Bowling Green
Kentucky

Dear Mr. Bell:

I am enclosing herewith a copy of the deposition which has been sent today accompanied by a certified copy of the testimony and the other exhibit, as well as copies of the published articles on the subject. This has gone directly to the Compensation Board and I hope everything will be found to be in order.

I enclose also a bill for the services of the notary, and the postage which merely for the sake of convenience I advanced.

Very truly yours,

RAK:IS
