

March 22, 1962

Mr. J. C. Mackenzie
Chief, Division of Air Pollution
Public Health Service
Washington 25, D. C.

Dear Mr. Mackenzie:

I am attaching a revision of the composition of our Motor Mix fluids which I would appreciate your substituting for the composition attached to my letter of March 20, 1962.

I regret this oversight on my part and, again, in the event you have any questions please do not hesitate to get in touch with me.

Yours very truly,

Dan M. Guy, Director
Technical Service
