1 members. Board of directors' minutes went out to board of
2 directors.

3 Q During the period you served as secretary and
4 executive director, did you in an annual period circulate as
5 many as eight general bulletins to members in an annual
6 period?

7 A I guess so, probably in that area.

8 Q What is your understanding of the distinction
9 between a general bulletin and the 25 memorandums that would
10 be circulated as indicated in Plaintiff's 65?

11 A That's a good question. I really don't know. The
12 general bulletin was something that went to all the members,
13 there might have been memorandums that we went to fewer of
14 all the members went to people that were related to that
15 particular problem, whatever we would send that general
16 memo. But I can't really tell you. I was looking at that
17 myself and I couldn't figure out what it was.

18 Q Was that something --

19 A But this Harriet's stuff, this isn't mine.

20 Q Right, I understand. When you were secretary were
21 there guidelines you were given to disseminate minutes and
22 bulletins and memoranda or did you rely on your own
23 understanding of who should get what?
