Dear Mr. Muehleck,

Dr. Leroy U. Gardner's Asbestos Dust Experiments

Thank you very much for your letter K&M No. 2831 of March 8th enclosing photostat copy of Dr. Gardner's letter of February 24th to Mr. Vandiver Brown, and also a copy of the "Outline of the Proposed Monograph on Asbestosis".

I will arrange for these documents to be studied by those of our officials who are best informed on the subject of asbestosis and will let you have our comments as soon as they are available.

Yours faithfully,

PX26-58
