Dear Mr. Robert,

We have received from Dr. Bateman, and passed for payment, an account for £110 in respect of consultations with yourself and inspection of factories etc. Mr. Sam has asked me to let you know that he does not think that, at any rate for the time being, it will be necessary for us to call on Dr. Bateman for any further special work, and I shall be glad to know that you are in agreement with this.

Yours faithfully,
