RJ,

Sorry to bother and I realize you are likely crushed this week.

Given some of the back and forth re: biodiesel, George would really love to get on the Administrator's calendar if possible.

Anything you could do to help, would be much appreciated.

Thank you again, and my apologies or being a pest.

Best,
Mat

RJ,

Sorry to bug you, but wasn't sure who was handling the Administrator's scheduling.

George Damaris from HollyFrontier has asked me to try to get some time on Administrator Pruitt's schedule for late October or early November.

He'd like to follow up on their conversation earlier this year on RFS.

We are happy to work around the Administrator's schedule should he have some time.

Please don't hesitate to have your staff contact me with questions or if you need additional information.

Thank you for your review and consideration.

Best,
Mat
