Re: [REDACTED]

Mr. James very
1642 Hanna ding
Cleveland,

Dear Mr. Van Every:

In re o your letter of August 17 request-
ing infor on the death of Mr. [REDACTED]
[REDACTED] I sh to state that I did not see
 he having died prior to my being
called in. I an state however that the circum-
stances and symptoms at the time of his death were
consistent with the diagnosis of lead tetra ethyl
intoxication.

Very truly yours,

WFM:vr

Willard F. Machle, M. D.

CC Mr. H. Mack
