Subject: Administrator Pruitt Speaking

Good afternoon!

Hope you had a wonderful Easter weekend. Millan passed along the request for Administrator Pruitt to speak at the MARC meeting in June. Unfortunately the Administrator will be unable to participate this year due to travel we have planned for that week. I'm sorry we weren't able to make it work but please never hesitate to reach out to us if future events arise that you think our office would be a good fit for. Hope you have a great rest of your day!

Thank you!
