March 24, 2018

Eisenhower Executive Office Building
1650 Pennsylvania Avenue NW

Dear Administrator Rao:

The Environmental Defense Fund (EDF), the Environmental Law & Policy Center, and Public Citizen respectfully request a meeting with you or the appropriate OIRA personnel pursuant to Executive Order 12,866, regarding the Environmental Protection Agency's Notice, *Reconsideration of Final Determination: Mid Term Evaluation of Greenhouse Gas Emissions Standards for Model Year 2022-2025 Light Duty Vehicles* (RIN: 2060-AT77).

The OIRA website indicates EPA's Notice was received on March 23rd. Because of the potential for EPA to issue the Notice within the next week or soon thereafter, we respectfully request an immediate meeting at the earliest possible time. We are available to meet as soon as Monday, March 26th – or any day during the week of March 26th through March 30th. This is a matter of vital importance to public health and the environment, and it is essential that we have an opportunity to meet with OIRA.

I can be reached at ahenderson@edf.org or (303) 447-7205 to schedule a meeting.

Thank you for your attention to this important issue.

Best regards,
Alice Henderson
