Hey Bob,

I checked my calendar....I already had a dinner scheduled for Thursday. How about Friday or Saturday or Sunday.....any of the meal times work? I'd like to see you a couple of times if that works into your schedule. It will be great to catch up with you.

Hey Bob,

Can you provide your cell #? I don't have it.

I keep my calendar at work, so I'll address the dinner options soon. No need to be concerned about my weekend plans...as a newly minted bachelor, I seldom have any, other than work & sleep.

Have you mapped out activities for your weekend? Do you have open spots to fill?

Jim

I WILL HAVE MY CELL PHONE SO WE CAN COMMUNICATE BUT I WAS THINKING WE ARRIVE AROUND 3:30 ON THURS 10/5 SO MAYBE A EARLY DINNER 5:30 OR 6 WOULD NOT INTERFERE WITH YOUR WEEKEND BUT AS STATED EARLIER ANY NIGHT THROUGH SUNDAY IS OK.
