Hi Sydney,

I understand from Troy that he has shared our request with you for a meeting w/the Administrator on June 27<sup>th</sup>. My CEO and some of our global business division CEO's will be in town and are anxious to meet with the Administrator to discuss where our innovative energy technologies can match up with the Administrator's priority to reset the EPA agenda. Let me know what else you may need? I am hoping there will be time that afternoon.

Best,

Liz
