Attached is the original of a civil suit filed on our plant manager, Gene Tromblee, on December 14, 1984. As you know, this is the seventh asbestos claim filed by this attorney against the Texas City plant. The other employees who have filed suit are: Baker, Elliott, Merrill, Overturf, Paratore and Smith.

It is my understanding that these claims are being handled locally by Wes Urquhart, an attorney with the Vinson & Elkins firm in Houston.

Would you please let me know who will handle this case. You can contact me in Texas City at extension 3236 if you need any additional information.
