Dear Mr. Flynn:

Enclosed are two copies of a codicil letter to bring all your export sales of Pydraul F-9, Pydraul 150, Pydraul 625 and Pydraul AC under your Pydraul distributors contract dated July 1, 1958.

This amendment is intended to cover sales outside of the continental United States, for the Gulf Oil Corporation and subsidiaries owned 50% or more by the Gulf Oil Corporation.

If you elect to accept this amendment, will you please execute one copy of the codicil letter and return it to me. I understand you will send a blanket order separate from your existing orders covering sales in this country.

Very truly yours,

Richard Davis
