ASBESTOS FREE "VERMICULITE"

Reference your memo of 1/7/80. Vermiculite is carried in our Stores' inventory under stock number 13-7032. Based upon information received in December 1979, we changed our vendor to Filter Media Co., P. O. Box 19156, Houston, Texas. We presently have two orders entered with Filter Media Co. for the asbestos free vermiculite and anticipate delivery within the next two weeks.

If we can assist further, please advise.
