Hi Ryan,

My name is Noel, and I support the US Postal Service here at DocuSign. I understand that the US Postal Service currently uses DocuSign within the sales team.

DocuSign has just become FedRAMP authorized so I am reaching out to you because I want to establish myself as a resource for you to gauge your interest in expanding DocuSign into your department.

With DocuSign, government entities are currently seeing 10x acceleration in contract processing time, up to 95% reduction in approval turnarounds, while saving millions of dollars in program costs.

Do you have some time to speak this week about how DocuSign can benefit your department? Also, will you be attending the 930 Gov event in Washington DC on September 6th? I would love the opportunity to chat with you there.

Thanks in advance,

Noel Jancewicz | DocuSign
