To: Vinyl Chloride Project Panel

Gentlemen:

During the past few months, CMA has been negotiating with Industrial Bio/Test Laboratories (IBT) for settlement on the vinyl chloride inhalation study. This past week, IBT made a final offer of \$110,000 and CMA has tentatively accepted, pending Panel approval.

If you have any questions regarding this settlement or object to the terms, please call me at (202) 328-4352 prior to November 12. If I do not hear from you, I will assume that you find this offer acceptable.

Sincerely,

Carol R. Stack
