Dr. Lowry,

Thank you for reaching out to set up a meeting with our team at the EPA. I very much enjoyed visiting with you about our issues of mutual concern. It was a good meeting!

We look forward to working with you and the American Association of Pediatrics. Thank you again for your time last week, and please extend my appreciation to everyone.

All the best,

Robert,

Yesterday's meeting was excellent, and I very much appreciated the frank discussion. It was extremely helpful in understanding and learning more about the issues facing members of Western Growers. I am hopeful that we at the EPA can re-establish the trust and confidence of those in your industry while protecting our natural resources.

I appreciate your support and encouragement.

All the best,
