Dear Mr. Clark:

Thank you for your letter of April 17, 2017, sharing the Office of Advocacy's comments on the Trichloroethylene and Methylene Chloride/N-Methylpyrrolidone Proposed Rules, issued under the Toxic Substances Control Act (TSCA) section 6(a).

The comments you provided on behalf of small businesses are very important to the U.S. Environmental Protection Agency as we implement the amended TSCA and consider the next steps for these proposed rules. Thank you also for engaging with the EPA on the Small Business Advocacy Review Panel process to ensure that small business views were brought to the agency's attention and considered in the development of these proposals.

If you have any questions or comments, please contact Wendy Cleland-Hamnett, Acting Assistant Administrator for OCSPP, at cleland-hamnett.wendy@epa.gov or (202) 564-2910.

Respectfully yours,
