Don -
Everyone is fine with having the meetings at Shell offices in Houston. Only person I have not heard from is Brian Doll - I've left him a message that I am assuming change of venue is OK with him unless I hear otherwise.

Here's the responses so far:

Oversight Committee Aug. 20

<u>Yes</u>	<u>No</u>
Mike Johnston (CP)	Lynn Russo (EM)
Don Burnett (BP)	
Patsy Clegg (Shell)	
Patrick Beatty (CVT)	
Bill Broddle (CP)	
Brian Doll (EM - ???)	
Lorraine Twerdok (API)	
Tarita Samuel (Shell - part time?)	

Technical Committee Aug 19

Yes
Patrick Beatty (CVT)
Bill Broddle (CP)
Stu Cagen (Shell)
Shan Tsai (Shell)
Tarita Samuel (Shell - ???)
Lorraine Twerdok (API)

I am in all day (all week, actually) - only time I'm not available to discuss API and legal meeting participation is between 2 - 3 PM.

Talk to you soon,
Lorraine
