Hi Elizabeth,

I would be happy to work to get something set up. Unfortunately the Administrator doesn't have any availability those days though. Is Mr. Muncrief in DC very often?

Thank you!

**Subject:** Meeting Request -- Rick Muncrief, CEO of WPX Energy

Administrator Pruitt,

The CEO of WPX Energy, Rick Muncrief, would like the opportunity to meet with you to discuss the regulatory environment for the oil and gas industry and update you on the challenges and opportunities that the industry faces going forward.

You are likely familiar with WPX Energy since it is based in Tulsa – but by way of background, the company is an upstream on-shore oil and gas company with operations in the Permian Basin, the Williston Basin, and the San Juan Basin.

Mr Muncrief will be in Washington, DC next week and is available on Wednesday, May 24 in the afternoon, or Thursday, May 25 in the morning.

Please let me know if you have any questions. Thanks for your consideration. Best, Elizabeth Gore
