Thank you Sydney for getting back to me. I think we could move the meeting to later in that week. Would April 20<sup>th</sup> or 21<sup>st</sup> be better for such a meeting in DC?

Hi Brian,

Thank you for reaching out! We will actually be traveling on the 19<sup>th</sup> and not in DC. Is there perhaps another time when your organization plans to visit DC?

Thank you!

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19<sup>th</sup>.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19<sup>th</sup>. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian
