All, Administrator Pruitt asked me to reach out to you to check on your availability to meet for coffee to establish a relationship between EDF and him.

He appreciated me recounting the story of when I was working for Senator Inhofe, how Senator Inhofe called Fred unexpectedly prior to an EDF board meeting simply to report on the status of negotiations at the time of the TSCA update. It's a much broader environment here now than negotiating the Lautenberg Act, but the Administrator was interested in meeting to try to build a relationship and identify common ground and items on which we can work together.

I appreciate your consideration. I can also be reached at Ex. 6 - Personal Privacy anytime.

Ryan.

Hey Doug, I wanted to check with you on when may be a convenient time to talk tomorrow regarding getting some good candidates for the Science Advisory Board? We will be able to nominate some good people by September. I appreciate any suggestions.

Ryan,

Hope all is well. I tried to reach you via cellphone (Mike Whatley, who was on my Policy team in Transition was kind enough to text intro us).

I would like to see if I can get on your schedule (for about 30 mins) to discuss:

- What we did on Transition (as it relates to EPA);
- Client issue on Puerto Rico

Please let me know if you would have any time later this week or next week?

Many thanks and best regards.
