

PLIBRICO ENGINEERING *and* INSTALLATION DATA

Issued by Plibrico Company, Chicago, Illinois

Bulletin #179

December 8, 1972

PLICAST AIRLITE

Engineering Bulletin #177 cautioned the use of Plicast Airlite because it contained asbestos fibers.

A new Airlite formulation has been developed without asbestos fibers. All Plicast Airlite manufactured after January 1, 1973 will be of this new formulation.

Please use the data issued on "Here's A Hot One Bulletin" dated December 8, 1972 until new data sheets are issued.
