

Proof from

Marshall & Pratt, Inc. 369 Lexington Ave., N.Y.C.

A group of WHITE-LEAD PIGMENTS to choose from

• DRY WHITE-LEAD Dutch or Carter

• H. T. S. WHITE-LEAD (High Tinting Strength) —a new white-lead with especially high hiding and oil-taking power

• BASIC LEAD SULPHATE

• From National Lead Company, you can obtain the particular form of white-lead pigment best suited to your formula requirements. We make the white-lead pigments listed above—each one of high, uniform quality.

National Lead Company is also a dependable source of supply for lead oxides...red-lead, litharge and orange mineral.
